PRESIDENTS' MESSAGE

LIBERATION

Nisan (March and April) are significant months in the Jewish religion. This is the time that we celebrate Passover. During our seder, we remember that G-d led us out of bondage and gave us the Ten Commandments.

For the last year, we have been in a place that reminds us of slavery. It was a difficult time and we made so many sacrifices.

G-d was with us during the time we were in Egypt. He was also with us during the time of COVID19.

As we celebrate Passover, we need to be grateful for all the bounty of our life. We need to see all the good things that G-d has provided for us.

Our Temple Emanu-El family is grateful for all that G-d has given us. We pray for our continued plenty and our continued work on behalf of our temple.

We don't know what the future has in store for us. Whatever this is, we will deal with it as we look to G-d for His help.

We wish you all a
ZISEN PESACH!!!!

RABBI'S MESSAGE

Passover is God's first and the foundational Moed or Holy Days of the seven annual Moadim commanded by Hashem. Pesah starts this year on March 27th and this Feast of Unleavened Bread lasts for seven days. Seven is an important number and those who correctly observed this Yom Tov receive seven super-natural blessings paralleling the seven days of supernatural events accompanying the Bnei Yisrael.

On the morning of the fifteenth of Nisan, the children of Israel and all of G-d's hosts departed from Ramses and on that same day they arrived in Sukkos.

The next day, the sixteenth of Nisan, they traveled from Sukkot and encamped at Etam on the edge of the wilderness.

On the seventeenth of Nisan, which was Shabbat, they remained encamped. The Holy One, blessed is He, encompassed them with seven clouds of glory.

On the eighteenth of Nisan, the people of Israel began to prepare their belongings and animals for departure.

5. Egyptian couriers traveled for a day-and-a-half and at the end of the nineteenth of Nisan, they came to Pharaoh and informed him that the people had fled.

6. On Tuesday, the twentieth of Nisan, Pharaoh assembled his chariots and, gathering his nation to accompany him, set out in pursuit of the Children of Israel, catching up to them as they encamped on the banks of the sea.

7. On Wednesday, the seventh night of Pesach, the beginning of the twenty-first of Nisan, Israel entered the sea and in the morning they came out and saw what G-d's exalted Hand had done to the Egyptians.

There is another seven mystery; The Holy One, blessed is He, encompassed them with seven clouds of glory. What are these clouds? The Mekhilta offers us some clarity:

"There were seven clouds: Four of them to each side/direction (of the Israelites), one was above them and another below their feet. A further cloud would pass in front of them leveling the valleys and flattening the mountains." Mekhilta Beshalach 1

It is important to note we are dealing with a miraculous phenomenon but the promise of Exodus and liberation is eternal, forever - that this redemption is also for US - to those who are willing to follow God and obey him as the rabbis note in the Haggadah each "Israelite should see him/herself as if he left Egypt."

Please join us for Passover services online beginning Saturday sundown March 27th at 6:00pm and in person live Sunday March 28th, 9:30am as we will be sharing in detail the seven supernatural blessings promised by God in his Torah to those who are faithful to his commands.

Wishing all our beloved members and friends of Emanu-El a most Zisen and Sweet Pesah and a very blessed, Happy, Healthy Passover,

Rabbi Jacob,
